Event Description:

Participants must capture photographs based on an on-spot theme announced during the event using mobile phones only.

Photos will be evaluated based on Creativity and Social Media Engagement (Likes).

General Rules:

1. Individual participation only.
2. Theme will be announced on the spot.
3. Only mobile phones are allowed.
4. One photo per participant.
5. Photos must be taken within the event time.

Photo Requirements:

1. Timestamp and date must be enabled.
2. Photo must be original.
3. Basic edits allowed; heavy editing not allowed.
4. No AI-generated images or watermarks.

Submission Rules:

1. Upload photo to the official Google Drive link.
2. File format: Name_CollegeName.
3. Late submissions not accepted.
4. No deletion or modification after upload.

Social Media Rules:

1. Photos will be posted on official social media.
2. Only genuine likes will be counted.
3. Fake likes or bots will result in disqualification.

Judging Criteria:

- Creativity (Judges Evaluation)
- Social Media Engagement (Likes)

Disqualification:

- Using non-mobile cameras
- Missing timestamp
- Fake engagement or plagiarism

Final Decision:

Judges' and coordinators' decisions are final
