### **CLUE CONNECT (NON TECHNICAL EVENT)**

#### **EVENT DESCRIPTION**

Clue Connect is an exciting non-technical event that tests participants' listening skills, visual reasoning, and movie knowledge. The event challenges teams to decode audio clues and connect visual hints to identify movies accurately within limited time frames, emphasizing teamwork, focus, and quick thinking.

---

#### **EVENT STRUCTURE**

##### **ROUND 1 - DIALOGUE**

1. Movie dialogues will be played only once in audio format.
2. Teams must carefully listen to the dialogue and identify the correct movie name.
3. Answers must be submitted within the allotted time limit.
4. Minor spelling errors will be ignored if the movie name is clearly recognizable.
5. No points will be awarded for incorrect or unanswered questions.

---

##### **ROUND 2 - GUESS THE NAME**

1. A set of pictures related to a movie will be displayed on the screen.
2. Teams must connect the visual clues and identify the corresponding movie name.
3. Answers must be submitted before the time limit expires.
4. Use of hints, if provided, will result in reduced points.
5. The team with the highest total score at the end of the round will be declared the winner.

### RULES AND REGULATIONS

#### 1. Eligibility

The event is open to all undergraduate students.

#### 2. Team Size

Each team must consist of the 2 members as per event guidelines.

#### 3. General Rules

1. Each team must consist of the prescribed number of participants.
2. Team discussion is permitted; however, the final answer must be given by the team leader.
3. Use of mobile phones, smart devices, or any external assistance is strictly prohibited during the event.
4. Participants must maintain discipline and sportsmanship throughout the event.
5. The decision of the judges and organizers shall be final and binding in all matters.

---

### JUDGING CRITERIA

Participants will be evaluated based on the following parameters:

#### 1. Accuracy:

Correct identification of movie names.

#### 2. Observation Skills:

Ability to connect audio and visual clues effectively.

#### 3. Time Management:

Speed of response within the given time limits.

#### 4. Team Coordination:

Effective communication and collaboration among team members.

#### 5. Rule Compliance:

Adherence to event rules and discipline.
