✨ **Event Overview**

SPARKIX is a competitive academic forum designed for budding researchers and innovators to present their original ideas and research outcomes before an expert evaluation panel.
The event emphasizes innovation, technical insight, and effective communication, encouraging participants to deliver concise, impactful, and engaging paper presentations.

📜 **Rules & Regulations**

PAPER TEMPLATE

1️⃣ **Eligibility**
Open to all students currently pursuing B.E. / B.Tech programs.

2️⃣ **Team Composition**
Each team must consist of 2 to 3 members only.

3️⃣ **Dress Code & ID**
Participants must be in formal attire and carry a valid student ID card.

4️⃣ **Event Structure (Two-Round Process)**
Round 1 – Preliminary Abstract Review:
Submitted abstracts will be evaluated, and the most promising abstracts will be shortlisted.

Round 2 – Paper Presentation:
Only shortlisted teams from Round 1 will be allowed to present their papers on the event day (14 February 2026).

5️⃣ **Shortlisting Notification**
Teams shortlisted in Round 1 (Abstract Shortlisting) will be informed through email, phone call, or WhatsApp.

6️⃣ **Abstract Submission**
📧 Abstracts must be sent to:
sparkix.ideahub.vec@gmail.com
📅 On or before: 06 February 2026

7️⃣ **Presentation Format**
8 minutes for paper presentation
2 minutes for Q&A
Papers must be the original work of the author(s).

WEBSITE: www.electrowiz26.info   @ GMAIL: electrowiz2026@gmail.com   electrowiz.26

8️⃣ **Paper Details & Format**
The hard copy of the paper must include:
Team members' names
College name Contact number Email ID
Paper Format: The paper must be prepared in IEEE standard format

9️⃣ **Submission on Event Day (Mandatory)**
Shortlisted teams must carry:
● Digital copy of the PPT
● Hard copy of the paper
on the day of the event (14.02.2026).

🔟 **Reporting Time**
Participants must report at the venue by 8:30 AM on 14 February 2026.

🏆 **Judging Criteria**
Papers will be evaluated based on the following aspects:

◆ **Originality**
Creativity, innovation, and novelty of the idea.

◆ **Technical Strength**
Depth, relevance, and clarity of the research content.

◆ **Presentation Skills**
● Clear explanation
● Well-structured and visually appealing slides

◆ **Q&A Performance**
Effectiveness and confidence in answering questions.
